Greenlam Industries Limited has been a hallmark of exceptional artistry and innovation. It is India's No. 1, Asia's largest, and among the top 3 brands in the world offering surfacing solutions spread across laminates, compacts, clads, veneers, engineered wooden floors, and doors. With a presence in more than 120 countries, Greenlam further propagated its legacy of innovation and creativity by introducing Mikasa Decowood Veneers (Formerly known as Decowood Veneers) : a decorative veneer brand which is currently India's largest selling veneer brand. Greenlam transforms a home into a masterpiece with its ubiquitous presence seen in homes and spaces all across the world.

Mikasa
DECOWOOD VENEERS

Mikasa Decowood Veneers has been a patron of wood since its inception. At Mikasa Decowood Veneers, it's not just about chiselling away blocks of wood for homes, but also the craft and science that goes behind creating these spectacular pieces of art.

With a reputation that spans across 120 countries and over 200 varieties of veneers, Mikasa Decowood Veneers has probably the largest collection to choose from. Each veneer of Mikasa Decowood Veneers infuses the techniques of master craftsmen through centuries along with the touch of technology. And these designs have to be seen to be believed. They not only seep into our mind and heart, but also command an authoritative presence when they are installed.
