A RANGE OF DYED VENEERS

Greenlam®
Industries Limited

AN EXTRAORDINARY JOURNEY

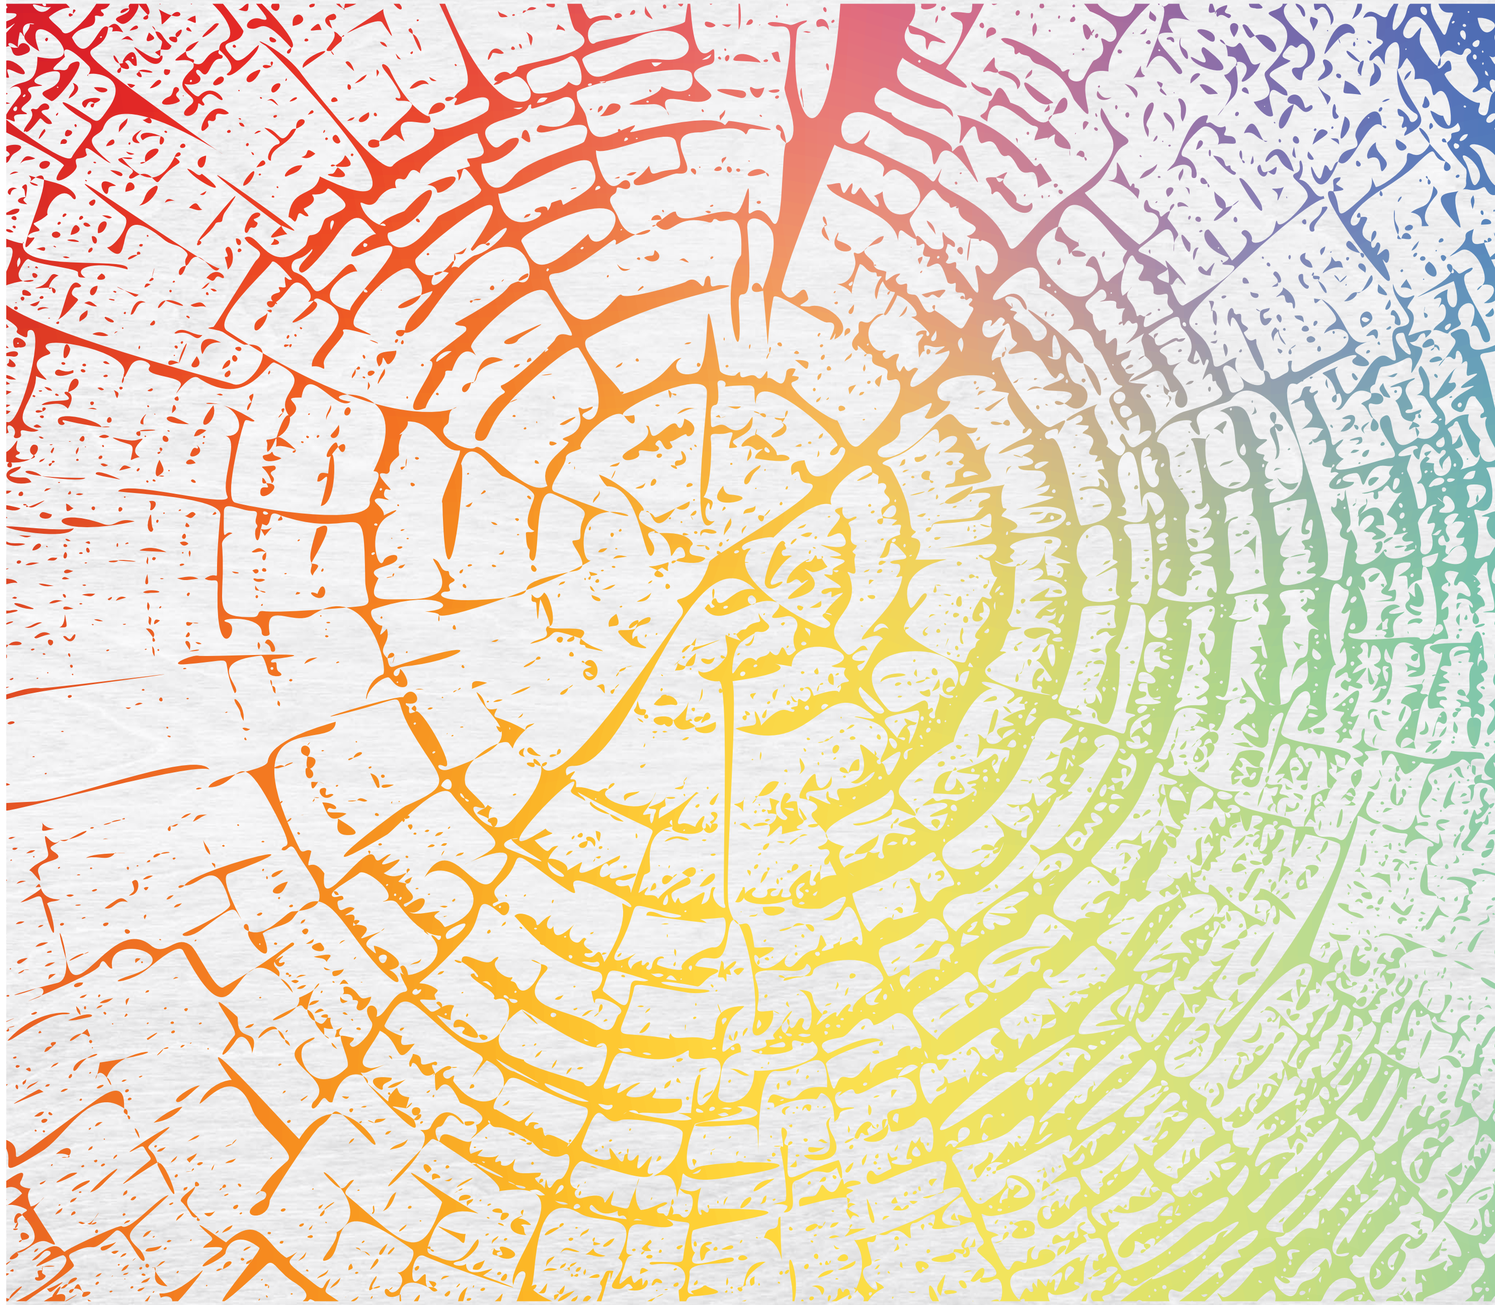

Since its inception, Greenlam has been a hallmark of exceptional artistry and an unbridled passion for innovation. It's among the world's top 3, Asia's largest, and India's No. 1 surfacing solution company with its presence
in over 120 countries. Greenlam offers end-to-end surfacing solutions spread across laminates, compacts, decorative veneers, engineered wooden floors, and wooden doors and frames. With an assurance of quality and a commitment towards people and the planet, the products are Greenguard certified, antivirus, antibacterial, and antifungal. Through research and innovation it has continuously improved to offer the safest and the most hygienic surfacing solutions globally.

Mikasa
DECOWOOD VENEERS

FROM FORESTS TO YOUR SPACES

Mikasa Veneer has been a patron of wood since its inception. At Mikasa Veneer, it's not just about chiselling away blocks of wood for homes, but also the craft and science that goes behind creating these spectacular pieces of art. With a reputation that spans across 120 countries, and over 200 varieties of veneers, Mikasa Veneer has probably the largest collection to choose from. Each veneer of Mikasa Veneer infuses the techniques of master craftsmen through centuries along with the touch of technology. And these designs have to be seen to be believed. They not only seep into our mind and heart, but also command an authoritative presence when they are installed.

RAINBOW
COLLECTION

Capturing the vivid hues, the Rainbow Collection accentuates the natural grains of wood. Using dyes that deeply penetrates the veneers, the collection sports aesthetic décor while allowing the veneer to be sanded to achieve the desired finish. Available in varying species, bespoke colours add that melange to your interiors.

GREY MATTER

Grey gracefully stands between the magnetic hues
of black and elegant white.
It is a neutral beauty that enhances the pigment of
the colour it is paired with.
Grey exudes an understated charm that is extremely
rare to find in modern times.
